Dear Salman Faruqui Sahib,

السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

I take this opportunity to thank you for sending me a copy of 'Federal Ombudsman Report on Maladministration Faced by Government Servants in Dealing with Federal Agencies After their Retirement'. The report provides a deep insight into some very pertinent issues and their redressal mechanism. I am confident that implementation of the Committee's recommendations would go a long way in redressing difficulties being faced by retirees and their families.

In similar consideration, Pakistan Navy has a well established welfare and rehabilitation structure to look after post retirement issues of PN personnel and their families. I find there are areas PN can indeed benefit from the findings and recommendations of this report.

May Allah grant you continued success in your noble pursuits.

With profound regards

Yours Sincerely
M
Zakauallah
