Dear M. Salman Faruqui,

السلام وعلیکم!

I have received Annual Report 2016 of Federal Ombudsman of Pakistan as well as Reports of the Committee on: (i) Availability of Essential Drugs of High Standard, Efficacy, Safety, Quality at Affordable Prices for All and Check on Fake Drugs, (ii) Capacity Building for Public Service Delivery to Meet Contemporary Challenges, (iii) Transformation of the Postal System for the Challenges of 21st Century, and (iv) Transforming Radio Pakistan to Meet Contemporary Challenges, which, indeed, are very informative. I am extremely grateful for this valuable gift. Please accept my thanks and do remember me in your prayers.

With best regards.

Yours' faithfully,
