Dear Mr. Faruqi

Please accept my congratulations on being elected as the President of the Asian Ombudsman Association and on bringing this honour back to Pakistan.

As this Association was set up on the initiative of one of our predecessors and has always had a secretariat here, it was only appropriate that its President should be from Pakistan, and your election to this office will remain one of your major achievements and contributions to raise the Hafazi Mokhtar's profile at the international level.

I wish you the very best during your tenure as the President of the Association.

Yours sincerely
