

NATIONAL ASSEMBLY OF PAKISTAN

Islamabad,
the 31st December, 2015

SARDAR AYAZ SADIQ
SPEAKER

Dear Faruqui Sahib,
السلام عليكم

Thank you for your letter dated December 26, 2015, along-with the Study Report on National Savings.

It is indeed a valuable effort to conduct a detailed study by leading experts to study the causes of maladministration in a leading national financial institution, namely Central Directorate of National Savings. I have placed this important study in the Library of the National Assembly from where the Honourable Members could benefit from it. I also take this opportunity to congratulate you on your noble endeavour and look forward to receiving more such research based reports for the knowledge, understanding and better oversight of the Parliament.

With my profound regards and respects,

Yours sincerely,

(Sardar Ayaz Sadiq)
