NINE MILLION OVERSEAS PAKISTANIS ARE OUR ASSET AND WAFAQI MOHTASIB SECRETARIAT (WMS) TREATS THEIR EVERY COMPLAINT WITH UTMOST SERIOUSNESS

The Federal Ombudsman Mr. Ejaz Ahmad Qureshi has taken serious notice of the complaints lodged by Overseas Pakistanis, especially Overseas Pakistanis in South Africa regarding the problems faced at airports. The Federal Ombudsman while addressing the Overseas Pakistanis Convention at Convention Center Islamabad said that One Window Facilitation Desks have been established at all international airports in Pakistan for the convenience of Overseas Pakistanis. He further said that a full-time Grievance Commissioner appointed by him is working in WMS for immediate resolution of grievances of Overseas Pakistanis. He added that every complainant is automatically notified at every

stage of processing of complaint while complaints of Overseas Pakistanis regarding provincial departments are forwarded to concerned Provincial Ombudsman for action. He said that instructions have been issued to the Pakistan Ambassadors in all Pakistan Missions abroad to hear the complaints of Overseas Pakistanis personally once a week without appointments; and to pass necessary orders for redressal. The Ombudsman informed Overseas Pakistanis that 39,604 complaints were received in 2021 at One Window Facilitation Desks out of which 39,595 were resolved; 13,976 complaints were received in Pakistan Missions out of which 11,313 were resolved and 769 complaints were received by the Grievance Commissioner which were also resolved in the shortest possible time.

The Federal Ombudsman Mr. Ejaz Ahmad Qureshi has directed the concerned agencies to take further facilitation measures for the Overseas Pakistanis at the One Window Facilitation Desks (OWFD) at 08 International airports in Pakistan. He said that more than 09 million Overseas Pakistanis are making great contribution by helping their families back home and also taking part in the socio-economic uplift of the country by remitting around 30 billion dollars annually to the country. He said that being a public servant we are duty bound to serve the Overseas Pakistanis with utmost zeal. He directed the Special Secretary Foreign Affairs Dr. Khalid Hussain Memon to revive Khuli Kachehries once a month in the Pakistan Missions abroad to resolve grievances of Overseas Pakistanis. The Director Civil Aviation Authority Mr. Sadiq-ur-Rehman told that in the year 2020 International flights from and to Quetta were closed due to prevalence of Covid-19 pandemic. He assured that the OWFD would be operative within a week with all facilities. The Ombudsman further directed all the heads of departments to constitute monitoring team to randomly check the functioning of OWFDs.

Taking cognizance of delay in submission of monthly progress reports by the Pakistan missions, the Ombudsman directed that an Online Interface with the Foreign Office should be established through the CMIS system of WMS to avoid delays. Inspection team of Wafaqi Mohtasib inquiring the issues of late delivery and mishandling of luggage of overseas passengers at Islamabad International Airport (27.04.2022).

FEDERAL OMBUDSMAN CHIDES CAA OVER MISMANAGEMENT IN HANDLING LUGGAGE OF OVERSEAS PASSENGERS AT ISLAMABAD INTERNATIONAL AIRPORT.

DIRECTS TO TAKE DISCIPLINARY ACTION AGAINST THE DELINQUENTS.

The Federal Ombudsman Mr. Ejaz Ahmad Qureshi taking cognizance of complaints against management of Islamabad International Airport regarding late release/ mishandling of baggage of Overseas Passengers, constituted a team of senior officers comprising Dr. Inamul Haq Javeid, Grievance Commissioner for Overseas Pakistanis, Mr. Pervez Haleem Rajput, Consultant and Mr. M. Javed Chaudhary, Director Media to investigate the issue at Islamabad International Airport and submit report. The committee visited Islamabad Airport on

27 April 2022 and submitted its preliminary report after listening to the complaints of general public, witnessing the entire process of baggage handling of Overseas Passengers and holding meeting with the management of the Airport.

The team observed and noted number of complaints of Overseas Passengers of five international flights coming from Saudi Arabia, Qatar, UAE and other countries. The Team observed that overseas and domestic passengers are forced to wait for hours in getting their luggage due to the mismanagement of luggage handling staff of different companies. The Team also noted the difficulties of Overseas Passengers who had to wait for hours in long queue alongwith their children at Immigration counters. It was informed that although there were 40 counters but only 11 were operational due to shortage of staff. The team observed that due to less staff and inadequate number of vehicles for luggage handling the release of luggage was being hampered badly. The Federal Ombudsman taking a serious view of the situation directed the DG Civil Aviation to conduct an inquiry fix responsibility and take disciplinary action against the relevant personnel/contractors. He also directed to take immediate remedial measures according to the following recommendations of Inspection team.

1. Adequate staff from every luggage handling agency including PIA be ensured and their strict monitoring mechanism and SOP may also be devised.
2. Presence of only one Scanner is also the cause of delay in receipt of luggage; therefore, installation of at least two to three more scanners with adequate staff is very necessary.
3. CAA should provide computer plus printer for E-Visa facility at National and International departure terminals for getting print of E-Visa and E-tickets.

4. CAA should ensure that Luggage Handling Agencies will enhance its staff to handle luggage of international flights including Umra/Hajj flights or flights coming from Saudia.
5. FIA should ensure maximum Immigration staff for at least 30 out of 40 desks to handle international passengers.
6. Proper Seating arrangements for public in the Domestic/International arrival and departure terminals be ensured.
7. Sufficient number of wheel chairs for every national and international flight, especially Umra and Hajj flights be ensured.
8. Attendance register should be placed at One Window Facilitation Desk to monitor the attendance of staff of all agencies and monthly progress report regarding complaints/queries resolved & unresolved be dispatched to the Grievance Commissioner for Overseas Pakistanis well in time though their respective Head Office.
9. FIA may ensure two E-Visa gates instead of one E-Visa gate.
10. 1st class/Business Class passengers and “Sohni Dharti Card holders” may be provided separate immigration counters.
11. Room facility for medical team may be ensured at a single place to ensure better medical facilities.
12. Awareness standees should be placed at international departure & arrival terminals. A sign Board for One Window Facilitation Desk may also be installed.
